RE: SANDOR HAHOTI, aka ALEXANDER
HAHOTI, DPOB: 12 April 1920,
Kaposvas, Hungary

Dear Sir:

Reference is made to the request of your Agency, October 1956, for any information available to this Directorate on SUBJECT.

The files of USAF Intelligence reflect that SUBJECT was allegedly a member of a group, headed by ANTHONY ALFAL, which was in contact with a United States Air Force Intelligence Officer from Munich, Germany, in the summer of 1953. This group allegedly completed a test operation on the order of battle of the Hungarian Air Force for United States Air Force Intelligence. Upon the completion of the mission, however, contact between the group and United States Air Force Intelligence terminated. The files of this Directorate did not reflect further information on SUBJECT.

A check with the Directorate OSI, USAF disclosed the following:

1. That information exists concerning SUBJECT in the files of the 66th OTC Detachment, Stuttgart, Germany.
2. Files of British Intelligence, Bonn, Germany, checked in December 1955 reflect that HAHOTI was considered for employment by them in a minor capacity in February 1955, but was not utilized. The BSAO stated that they know nothing derogatory concerning HAHOTI.
3. OSI USAF's files reflected a Dropped Informant's Card on one Matyas DANKO, alias Matyas ZSOFKA, Matyas ZSOFKA, born 27 May 1903, Szarvas, Hungary, dropped on 13 November 1953 because he was employed by another US Intelligence Agency. DANKO was alleged to have been employed in intelligence activities by SANDOR HAHOTI.
